Dr. Mary Darden-Robinson

Dr. Mary Darden-Robinson is a dedicated behavioral health expert with over 20 years of experience in counseling and community services. Specializing in mental health and substance abuse, she has led initiatives that foster resilience and recovery. A passionate facilitator, Dr. Darden-Robinson co-presented at the prestigious Delaware State Opioid Response Conference and has facilitated training sessions at the Virginia Summer Institute for Addiction Studies (VSIAS) and the Virginia Association of Medication Assisted Recovery Programs (VAMARP) conferences. Her commitment to delivering impactful services is reflected in her strategic leadership and collaboration with nonprofit organizations to enhance community well-being.
